TEE IT UP FOR HEALTH

Grace Cottage Hospital Patient Care Fund

Golf Flags are being offered as part of Grace Cottage's 7th Annual Tee It Up for Health Golf Benefit. All proceeds benefit Grace Cottage's Patient Care Fund, to help this rural non-profit community Hospital provide care to all of the patients that we serve. These beautiful embroidered Flags (made by Shari Pfannenstien in the U.S.A.!) will be on display in the Grace Cottage Hospital Dining Room until June 10th. On June 11th, the flag with your name on it will be on view at The Hermitage Golf Club at Haystack Mountain for the tournament, and then displayed at Grace Cottage or returned to you—your choice. The cost is \$125 per flag and is a charitable donation to the hospital.
