

# New Patients Welcome!

To meet the need for quality primary care in our region, we've recently hired two new doctors. We now have five providers in our 11-member family health practice who are accepting new patients.

Now is a great time to establish a relationship!  
For quality care, compassion, and convenience, count on Grace Cottage.

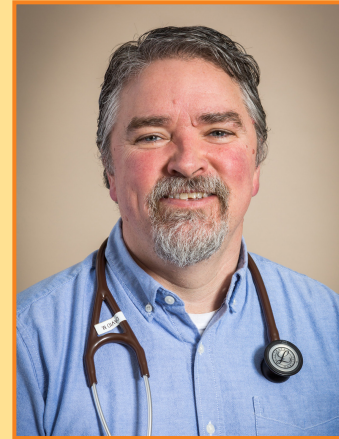

Natalie Harding, PA-C

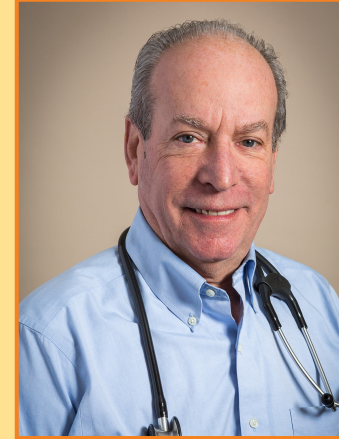

Ted Lefer, MD

Elizabeth Linder, MD  
(Pediatrician)

David McCormack, FNP

Ron Vallario, MD
