

Get help paying for health care.

We have a financial assistance program to help you afford the care you need.

What is the financial assistance program?

We give free and low-cost care to people at Grace Cottage Family Health and Hospital. It is for people who are uninsured and people who have insurance with out-of-pocket costs. It can be used for ongoing care and emergencies. The care must be medically necessary for your health.

Who can get financial assistance?

To qualify:

- **You must be a “Vermont resident”** – this includes students, people who are employed in Vermont, undocumented immigrants, people who live in Vermont but do not have housing (ex: homeless), etc.
- **Your income must be less than the limit.**  
There are different income limits for free and low-cost care. See the charts.

## Catastrophic care

Ask us about catastrophic care if you owe the hospital a lot of money, but your income is too high to qualify for free or low-cost care. It is for people with an income that is less than 600% of the Federal Poverty Level and who owe more than 20% of their yearly income to the hospital for out-of-pocket costs. We can help you figure out if this could help.
